A Note from the Pastor

Dear Parishioners,

I am sure we are all aware that this is Graduation time for many students. This past week, in addition to Pre-K moving up and Kindergarten Graduation, we had a Mass with Graduation for our Eighth grade students here at St. Patrick's. Congratulations to them!

Last year was certainly a difficult year due to the onset of the Pandemic but this year brought new challenges for students everywhere. Many students learned remotely for the most part. Our Catholic schools in the Archdiocese were mostly in-person but due to some large class sizes, some students were in school in-person only about half of the time. Whenever students were in class in-person there was the requirement to wear masks and to maintain physical distance etc.

Our Eighth grade students did not have all of the opportunities to celebrate or enjoy the year in the last quarter as in most other years. (Last year was even more restrictive in that regard from March until June.) We thank the Lord that the pandemic seems to be fading away. Everyone must still be cautious so that there is no recurrence if we can help it. It must also be said that one of the greatest things to be thankful for about Catholic school is that the environment is a wholesome one. That can certainly be true of other schools as well but, in the world today, public schools basically have to incorporate and tolerate numerous systems of ethics, or none at all. In Catholic schools, Catholic teachings and moral values are a must. I believe it serves children well, along with high academic standards.

God bless the 2021 Graduates of St. Patrick's School. God bless all of the young people graduating from any school anywhere as well. May the Lord bless them and all young people now and all throughout their lives.

May God keep us all in His care.

Sincerely in Christ,
