the **CARDINAL'S**
 ANNUAL STEWARDSHIP APPEAL
Sharing God's Gifts

Our Catholic schools were at the forefront of the pandemic in 2020 and 2021. They pioneered hybrid learning, ensured the timely return of our students to school and, with the help of the Appeal, provided struggling families with the tuition assistance necessary to keep their children in Catholic school. These students are the leaders of tomorrow and the future of our Church, and their formation and education are paramount. **Through the Appeal,** we are able to evangelize and equip our parishes and schools with the education, digital content, and services necessary to bring the Gospel message to parents, parishioners, and students in an accessible and streamlined way.

Pray for a greater respect for every Human Person, born and unborn.

2021 End-of-Year Tax Statements will be mailed out by the end of January. Any parishioner who contributed more than \$100 will automatically receive a statement in the mail. If you have any questions or need further assistance please contact Tobie Staib at the Rectory at 962-5050 ext. 15 or stpatricksfinance@gmail.com.

The Archdiocese asks that parishes do not have parishioners exchange the sign of peace at Mass until the Pandemic subsides more significantly.

A Message from Cardinal Dolan

Times like these often raise more questions than answers. When will we be on the other side of this pandemic? What comes next? Or, more practically, how am I going to make the rent or find a job to support my family? The uncertainty that often accompanies these questions can leave us feeling ill at ease or even afraid. While the answers don't always come as quickly as we'd prefer, as Christians, we are presented with an antidote to the anxiety and fear that sometimes sets in during times of transition and uncertainty. That antidote is our faith – our faith in the One who loves us so much that He laid down his life so that we may live, our Lord Jesus Christ.

Our faith calls us to fellowship as a community, both in our parishes as well as our homes. We know we aren't alone in this journey. We aren't without support. At Mass, we are sustained by the gift of the Eucharist. And I'm told by so many of you that after going without the Blessed Sacrament during the lockdown, you've returned to Mass with renewed gratitude. Our pastors and priests are there to minister to the faithful in moments of spiritual and material need. And when we're confronting more questions than answers, the life-giving presence of our Lord revives us and gives us the strength to move forward with renewed vigor.

The Cardinal's Annual Stewardship Appeal plays a significant role in helping us minister to the faithful and their neighbors. The Appeal ensures that our faith communities have the necessary support to offer pastoral and charitable outreach to families and individuals in need during this pandemic and beyond. Your gift to the Appeal enables us to sustain financially vulnerable parishes, to provide communities with the charitable assistance they need, to evangelize and educate, to form the priests of tomorrow, and to offer compassionate care for our retired priests. This year's theme "To Whom Shall We Go?" is a part of scripture so near to my heart that I chose it as my Episcopal motto. It is both a prayer and an answer to much of the uncertainty floating around these days. It reminds us that the answers to the deepest questions of our hearts lie with our Lord who stands with us, just as He stood with the apostles in the Gospel of John 6:68.

Thank you for considering a one-time or monthly gift to the Appeal this year. We are so grateful for your generous support and for your part in helping us bring hope to our communities in these difficult times.

A Note from the Pastor

Dear Parishioners,

January is coming to a close already! Students from St. Patrick's School will speak about our great school at most Masses today as Catholic Schools Week begins. Hopefully, the month of February will be a calm one and not too cold. Of course, we shall see.

We also hope that things are getting back to some sense of normalcy with regard to the Pandemic. That is, we hope the virus will continue to fade away. It may never disappear completely but we pray it will at least be very manageable very soon.

In this parish, we will not immediately return to pre-pandemic ways. That means we will keep some restrictions even if the mask mandate is lifted by the Governor or the courts. (I am writing these notes on the morning of January 25th.) I may be overly cautious but I know some/many people are still concerned about the possible spread of the virus or a new variant. Also, the youngest children are not eligible for the vaccine. Therefore, when the face mask mandate is lifted, we will re-implement the previous protocol of having some sections in which there will be physical distance and masks required. Announcements will be made at the Masses.

I am extremely grateful for everyone's cooperation throughout the months of the Pandemic. Fr. Ryan and I and the deacons have been the only ones distributing Holy Communion for the sake of added safety. Deacon Ed and his wife Barbara have moved to Wisconsin to be closer to family so at the present time we have only one deacon, Deacon Rich, to help with Holy Communion and Exposition of the Blessed Sacrament. However, we are fortunate in that we have two candidates for the Permanent Diaconate. Doug FitzMorris and Steve Morgante are scheduled to be ordained in June 2022. They have recently received the Ministry of Acolyte so they are able to serve as Eucharistic Ministers here as well as Lectors. Pray for all our clergy please as well as for an increase in holy vocations. I look forward to the time (hopefully soon) when we will have other Eucharistic Ministers assist at Masses and bring Holy Communion to the homebound. In the meantime, we give thanks that we are able to gather for Mass safely and with care for everyone who is able to come to Mass and prayers for those at home.

Sincerely in Christ,
